

REPORT TO NZAP AGM, MARCH 2020

Bay of Plenty/Waikato Branch

Kia ora te whanau.

We may be a small group but we continue to meet on the first Wednesday of the month for our breakfast meeting. It is a time to reconnect, a chance to share some clinical ideas, readings, casework, personal-professional themes.

Time and time again we find refuge in meeting with each other as psychotherapists revisiting why we do this work, how we enjoy the perplexities, the challenges, the discoveries our clients provide.

Ngā mihi.
