

REPORT TO NZAP AGM, MARCH 2020

He Ara Maori ACP Committee

Tēnā Koutou Katoa Aku Rau Rangatira Mā

To date there are two He Ara Manu on the He Ara Māori ACP (HAMACP) pathway and one more is poised to join. Since the last HAMACP report we have fielded a number of enquires about the pathway and through that process we have invited one person to begin engagement with the HAMACP process.

In June 2019 HAM members meet with HAMACP Advisory and current ACP Committee members to discuss parameters of the ACP and HAM relationship and our joint relationship with PBANZ. We continue to work together concerning our shared interests and aspirations.

As in the last report, the HAMACP Committee and Waka Oranga continue to work on the Brown Book for formal public release. We have set the date for the official release for our Hui A Tau on 10 October 2020, at Whaiora Marae. Currently we are in the final concept design, formatting and printing phase of this process.

Kia Tau Te Rangimarie
