

REPORT TO NZAP AGM, JUNE 2022

From the Northern Region Branch

Throughout 2020, 2021 and now 2022, we have continued regular monthly Northern Region Branch meetings online in the time of Covid. We have delivered a pretty full programme with monthly topics, guest speakers and movie evening discussions. We are now back to meeting in person monthly. More recently we have been focusing on attracting members. We have made branch membership and meeting attendance free for students and now for this year, as our expenses have been minimal, free for everyone on our mailing list, Emma Green and Richard Fox as Branch Convenors have shared duties with Cathy Langley and Paul Wilson.
