

Report to Council for June 2022

Ethics and Professional Standards Committee

Complaints

Thanks go to Helen Packard for her ongoing work in the role of Complaints Liaison assisting contacts in approaching HDC where appropriate. The final actions on our sole remaining complaint are proceeding and will hopefully complete by the end of the year.

Committee

Of late, my involvement has been focussed on the NZAP Conversion Therapy policy and I have elected not to call further Ethics Committee meetings. I remain grateful as Chair to the committee for all their prior efforts completing the EPSC review. I expect to hold further Ethics Committee meetings after the NZAP AGM.

Paul Wilson, EPSC Chair
