

# REPORT TO NZAP COUNCIL, JUNE 2023

## From the Administrator

The main task in the office at this time of year is subscriptions. It has been a busy couple of months processing these and answering queries. We have had a number of people request reduced rates and fee waivers due to ill health or financial hardship. Another focus has been the change in the website and email hosting which is in process now. With the new system we are hoping for less bugs and it could provide an opportunity to ask members to fill some gaps in the data that we have currently for the statistical purposes below.

### Membership

We have seen a large number of people resign and retire since the last Council meeting but this has been countered somewhat by a similar number of new students. Membership has decreased overall by 1 member since the last meeting and by 4 members when compared to this time last year.

### Scanning Forum

All Forums are now up on the Tuwhera website. The next job is to digitise other documents we have in the archive including old newsletters, and missing Council minutes from the digital file etc...

An overall decrease in 1 member from last March.

We have seen a drop of 10 members from the Full membership category as they retire or resign and we have also had a number of retired members resign as they no longer practise at all.

The student category is steadily increasing over the year.

With the help of Gabriela, we were able to cross-check our registered and non-registered members against the PBANZ register. This has improved the accuracy of our data in this field, and you can see a marked difference in the results when compared to last Council meeting.

382 members are registered (including 5 students), 133 are not registered (including 35 students).

Many thanks to Council for their ongoing support. I am really enjoying getting involved in some of the Committees to get to know members better, to get to participate in the life of the Association and to better appreciate the dedication of time and energy that these members put into the NZAP! As always, Catriona has continued to support and advise me with generosity and consideration.

Ngā mihi nui,
