The Northern Region Branch have continued to hold monthly in person evening meetings on the second Thursday of the month, so ten meetings per annum. Five meetings in 2024 were based upon watching and discussing video tapes hired from Psychotherapy Networker showing Irvin Yalom conducting sessions with clients. The monthly in person meeting pattern continues in 2024.

Louise Player Bishop and Richard Fox as Branch Convenors have shared duties with Cathy Langley and Paul Wilson. Richard Fox retired from the position in December after four years, with Vijay Mahantesh joining the team.
