1. Nominations will be called for three months before the March Council meeting.
2. Nominations must be drawn from the membership at large. On occasion, persons who are not members of the Association may be nominated.
3. A nominee must have the support of their branch i.e. be well known to branch members, and members will have been given the opportunity to comment by email or at a branch meeting.
4. Nominations should be received by the Honorary Secretary, by the dates specified.
5. Special consideration will be given to those with a long active career in the profession and Association.
6. Council will select those nominees it considers most meritorious to a maximum of four (4) recipients per annum.
7. Consideration should be given to nominees not being notified prior to the Council vote as the nomination may not be awarded by Council.
8. The honoree, and the person(s) who nominated them, will be notified in writing and will be expected to keep the decision confidential until the time the award is announced.

A citation will be written collaboratively, by the nominator and Honorable Secretary or branch convenors, to be read out at the awarding of the DSA and after that will be posted on our website. (See the website at <http://apanz.org.nz/about-apanz/roll-of-honour/> for previous citations.)

Distinguished Service Awards will be presented where possible and appropriate at a celebration at the next APANZ Conference. Consideration should be given to presenting the Award at the next Conference in the Recipients home area. The Award shall comprise a certificate and a book token for an amount to be determined by Council. There is no obligation upon Council to make any award in a particular year if it does not consider there is a nominee deserving of an award and there is no limit to the number of persons who can hold Distinguished Service Awards, although each honoree can only be awarded once.
